11. (Unclassified - GLC) In the absence of Larry Conrad, I met with Jay Berman in his office and left with him the revised amendments to S. 782. I advised Mr. Berman that we had discussed these amendments with NSA, who was in agreement with them, and with the FBI. I added that the FBI informed us they wished to pursue a full exemption for the Bureau and, therefore, they were not mentioned in these amendments. Mr. Berman and I discussed this a bit and agreed that, if a full exemption were to be given for one agency, it would seem desirable to treat the other security agencies, i.e., CIA and NSA, the same way.

12. (Secret - JGO) Met with Mr. Robert Michaels, House Appropriations Committee staff, and delivered to him for the Chairman a letter concerning withdrawal from the reserve for certain Radio facilities. Also discussed briefly with Mr. Michaels the transferring of full responsibility for handling necessary funds for SWITCHBACK to the Department of Defense. Mr. Michaels advised that the Chairman had written the Department on the subject, but that he has not received any information on Department determinations.
